

Dear Parents,

**Incident on Bent Lanes, Urmston**

Please be aware that last night (26.9.18) a group of KS2 pupils from a local school were approached whilst playing out in a friend's front garden opposite their house. A man in a car asked them if they wanted some money that he was waving at them. The children immediately ran home to tell their parents who notified the police and reported the registration number of the car.

Also there have been other incidents concerning a white van locally where the passengers have approached children so we need our children to be extra vigilant.

We have talked to the children in Assembly today about how to keep themselves safe when playing out with their friends or walking home from school and I am sure you will want to discuss this with your child at home too. In light of these concerns can I please ask that children who attend Extra-Curricular Clubs after school either get picked up by an adult or that we have specific written permission for them to walk home without an adult.

We are all responsible for safeguarding our children so thank you for your support in this serious matter.
