

22nd January 2019

Dear Parents,

Maths Workshop 3.30pm to 4.30pm Wednesday 30th January 2019

How is your maths? Do you want to help your children become more confident with their number work? How do we teach maths at Kingsway?

At the request of a number of parents at our last Parent Evening I'm pleased to announce that we are re-launching our Calculations Policy in a more user friendly way so that every child will be able to solve calculations and problems using a consistent approach.

Therefore, the staff would like to give you a workshop on how we teach (and how children learn) maths in each class. This opportunity will help everyone to become more confident in Maths and ultimately will support all the fantastic work you are doing at home. So please come along and you may be surprised to learn new things that will help your children with their maths progress. The workshop starts at 3.30pm until 4.30pm on Wednesday 30th January in the School Hall.

If you are able to attend then please fill in the slip below so that we can organise the time and room effectively. If you are unable to attend please don't worry as we will send out further information in a booklet shortly.

Please complete the slip attached and return by Friday 25th January. We look forward to seeing you on Wednesday.

Thank you for your support.

Iain M. Lewis
Headteacher

Maths Workshop 2019

Name of Child _____

I am able to attend the meeting on Wednesday 30th January 2019

I am unable to attend the meeting on Wednesday 30th January 2019
